SUMMER KILT PACKING LIST

PLEASE LABEL EVERYTHING WITH YOUR NAME - USE A SHARPIE!

Please use this form as a record of items you are bringing to camp. This list will be extremely valuable in seeing that all items brought to camp get home again. Put this list inside your suitcase or footlocker, where it will not get lost after packing is complete.

Please note that we are not responsible for any items that are lost or stolen, so you may want to bring a Master Lock with you to secure any valuables that you bring to camp (your phone, for example). Optional laundry service (rough dry) will be done for KILTs once a week, but please note that we cannot be responsible for shrinking, damage, or loss.

Remember that we're located at 7500' in the High Sierra. The days are warm and sunny (75-80 degrees F) and the nights are usually cool – sometimes VERY COLD. We usually have a cold snap in each month - June, July and/or August. During the daytime you will be wearing either a KILT shirt or clothing appropriate to your activity. In the evening for dinner, everyone changes clothing appropriate for the weather – pants or clean jeans rather than shorts or faded jeans, and a KILT night shirt. KILT shirts and casual pants or jeans are worn 2 or 3 nights per week and on Sundays. Please do not bring too many extras as drawers and hanging space is limited in the cabins. **You do not need new things but we do require that KILTs conform to good grooming practices.** You will receive 3 daytime shirts, 2 nighttime long-sleeved shirts, and 1 KILT Sweatshirt for your uniform, so take those items into consideration while you are packing to come to Montecito.

Inappropriate make-up, clothing, hair color/ styles, tattoos or piercings are not permitted while a KILT. If you have any questions, please email us at: kilts@mslodge.com
